Creating Possibilities

Etac Swift Commode

Swift Commode is a three in one product with many smart functions.

Comfortable and functional

Swift Commode is discreet and comfortable. It can be set with a slight forward tilt to facilitate sitting down and standing up. The integrated pan has a tightly securable lid that locks automatically when lifted. Swift commode is supplied complete with soft seat pads.

3 in one

Swift commode can also be used as a shower chair or as a freestanding toilet seat raiser.

Easy cleaning

With smooth surfaces and removable padding, the Swift commode has been designed to enable easy cleaning. Its light weight and the integrated handle make it easy to transport and clean.

Easy handling

Swift Commode comes flat packed and is easy to assemble and height adjust, without using tools. The legs can be removed for transport.

Integrated pan lid

The pan with lid is integrated in the seat surface.
