

Mobile Shower Commode

This Mobile Shower Commode is designed for aged care, community and home care environments. The frame and its major components are constructed from corrosion resistant aluminium and powder coated for extra protection. All accessories, including pins, nuts and bolts are constructed with corrosion resistant materials to help ensure the strength and longevity of the product when used as intended.

Features

- Multi-function design for improved usability
- Universal fitment suits most toilet types
- Height adjustable for improved ergonomics and fitment
- Padded accessories for user comfort
- Corrosion resistant construction materials
- 4x lockable castors for improved safety and stability
- Swing back arm supports for easy transfer
- Enclosed pan and lid with improved spill protection
- Flip up foot rests with removable leg supports
- Flat pack design for compact and easy storage and/or transport
