INNOVATIVE

ACCESS AND THERAPY
SOLUTIONS

NOVIS[®]

enabling independence

Aqua Creek believes in improving the lives of individuals of all abilities by providing access to activities through the use of affordable recreation, fitness, and ability enhancing equipment

Ranger 2 Pool Lift™

Aqua Creek Products has been manufacturing quality aquatic access equipment since 2002. Their products are hand-built in the United States using only the finest materials and processes to provide the highest quality products. They are constantly evolving, changing, and improving the quality and features of their products with the customer in mind.

As innovators of the pool lift industry, Aqua Creek produces a range of models suited to different access requirements and pool construction methods.

Constructed from stainless steel and powder coated for durability, all lifts feature quality electronics well suited to the harsh Australian environment.
