NANO

ACTIVE & UNIQUE

RIGID FRAME AND AN OPEN HEART

The Nano is a rigid-frame wheelchair with an open, minimalist frame design. Stylish, sporty, and compact. Stable but lightweight. The compact frame fits in any car, even a convertible!

Make the Nano your own: customise frame colour, side panels, footrest and wheels.

+ LIGHTWEIGHT
GREAT HANDLING
OPTIONS GALORE

Crash tested
Complies with international
ISO safety standards for
crash safety
