

The Standard Falls Monitor has different uses with many features and benefits.

Easy to use and economical.

2701 Standard Monitor

Features:

- *Monitors Premium Pads & Mats
- *Monitors Universal Pads & Mats
- *Caregiver secure reset option
- *Alarm memory and auto reset
- *Selectable 0, 2 sec, 15 min delay setting
- *Pause feature allows caregiver to attend person without setting off the alarm
- *Adjustable alarm tone & volume
- *Low battery & pad lost indicator
- *Battery operated (3 x AA) or optional external plug pack.

Range of uses:

- *The Standard Monitor will alert when a person either gets up out of bed, a chair or moves into an unsafe area by using bed and chair pads as well as floor mats.
- *Mobile wheelchair 'out of chair' alerts. The monitor attaches to the wheelchair and will emit an audible alarm to notify when a person gets up or falls out of their chair.
- *Monitors night-time pacing, alarm can be set for 15-minute delay. This gives the person time to go to the toilet but notifies if they don't get back into bed.
