

NEW AREACARE RANGE

An updated, comprehensive range of static foam pressure relieving surfaces designed to maintain skin integrity and help prevent pressure injury, while delivering maximum comfort.

NEW AreaCare Range

As specialists in the supply of pressure care and manual transfer equipment solutions designed to help prevent pressure wound and skin integrity issues, Novis support a range of clinical healthcare products designed for hospitals, aged care facilities, rehabilitation providers and the home care community.

With a long history delivering effective pressure care management solutions, we are committed to delivering successful patient outcomes through product innovation, professional collaboration and clinical excellence.

Our product portfolio has been engineered with the goal of enhancing the comfort and safety of patients; reducing the time and concerns of care staff; and improving clinical outcomes for care facilities.

AreaCare Optimum

- ❑ Castellated, multi-density, three layer, zoned design for maximum comfort
- ❑ Hinged side walls which aid bed profiling and help prevent falls
- ❑ Heel Slope zone for localised pressure care

SIZE	Single	King Single
CAPACITY	220 kg	220 kg

AreaCare Premium

- ❑ Multi-density, three layer, zoned design for comfort and support
- ❑ Hinged side walls which aid bed profiling and help prevent falls
- ❑ Heel Slope zone for localised pressure care

SIZE	Single	King Single
CAPACITY	220 kg	220 kg

AreaCare Essential

- ❑ Multi-density, three layer design
- ❑ Memory foam top layer for optimal pressure redistribution
- ❑ Foot end zipper with waterfall skirt

SIZE	Single	King Single
CAPACITY	200 kg	200 kg

AreaCare Climate

- ❑ Unique airflow support layer and perforated top layer provides enhanced micro climate
- ❑ Fast recovery memory foam top layer
- ❑ Heel Slope zone for localised pressure care

SIZE	Single	King Single
CAPACITY	220 kg	220 kg

Extension

- ❑ 200mm extension for beds with sleeping platform extension
- ❑ Memory foam top layer provides additional pressure relief under 'at risk' heel zone

SIZE	Single	King Single
CAPACITY	NA*	NA*

*Capacity as per mattress used

AreaCare Range Brochure

Novis Healthcare | Novis.com.au | 1300 738 885

An updated range with extensive features to offer every patient optimum care and comfort

Multi-density foam layers for maximum strength and comfort – made from premium material, each foam layer is made of varying densities to maximise the redistribution of pressure.

Top Cover

Latex free, multi-stretch polyurethane coated top cover for reduced shear and friction. Vapour permeable, bacteriostatically treated, fire retardant and water resistant. Double-layered waterfall skirt provides protection from moisture ingress.

Cover includes an asset management panel and all relevant TGA required information

Infection Control

Top cover seams are welded and/or tape sealed for maximum infection control.

AreaCare Optimum, Premium and Climate models feature a 360° double-layered waterfall skirt to direct fluids away from mattress base.

Hinged Base

Six hinge system to conform to profiling beds.

AreaCare Optimum, Premium and Climate models only.

Side Bolster

AreaCare Optimum, Premium and Climate models feature a side bolster to provide a firm surface for reduced risk of falls when sitting on edge of mattress.

Top Layer

Memory foam conforms to the body's shape to disperse pressure evenly. AreaCare Optimum includes castellated memory foam top to aid pressure redistribution and articulates with movement. AreaCare Climate provides airflow for enhanced micro-climate.

Inner Cotton Cover

Foam covered by a removable inner cotton cover for added foam protection and reduced shear.

Support Layer

High resilience foam for maximum pressure redistribution.

Core Layer

Firm core layer and edges provide form, strength and stability for maximum safety and reduce risk of falls.

Base Cover

Hard-wearing, welded and water resistant base cover material. AreaCare Optimum, Premium and Climate feature a 360° zipper for easy removal and two carrying handles per side for easy handling.
